

## Quality Policy

Carville Switchgear Limited is a specialist manufacturer and installer of purpose designed low-voltage switchboards and is committed to producing the highest quality products and services.

We are committed to:

- striving to exceed our customers' expectations and maintain our reputation in the industry
- continually improve performance and seek to enhance our products ensuring customer satisfaction
- analysing risk to minimise disruption to our customers, products and business needs, to generate continued growth and repeat business
- providing a framework for setting and reviewing quality objectives and targets

It is our policy to comply with all relevant legislation and with all other compliance requirements to which we subscribe.

Our personnel understand the importance of promoting these aims and undergo training to familiarise themselves with this policy and their obligations under the Carville Switchgear Limited Quality Management System.
